## A Message From The Exalted Ruler Dan Martyn

Most of us make New Year's resolutions: I will stop smoking, lose some weight, be more budget conscious, and so on. How many do we stick to? My guess is that more resolutions are broken than kept.

So, let me suggest a few resolutions for my Elks brothers and sisters. Let's start with: I will treat my fellow Elks with respect, and at least be cordial to those whose company I enjoy less than others. I will respect the opinions and suggestions of others, and even if I strongly disagree, I will not let our differences affect our fraternal relationships. I will volunteer when I can, and support Elks programs, but I will also remember that family comes first. I will be constructive in my criticisms, and recognize the efforts of others. I will be courteous to our employees. I will try to attend meetings when possible and support the Lodge by patronizing meals and events on a regular basis. Is all of this useless drivel and too much rah rah? Maybe, but as we look forward to the new year, perhaps each of us can resolve to do one thing to make our Lodge stronger, a better place for our members, and a recognized contributor to our community.

Best wishes for a happy and healthy New Year.

### **RENOVATIONS**

#### **THE LOUNGE IS OPEN!**

While we still have a number of things to address before the project is totally complete, the lounge is open, so come down and spend some time at the Lodge.

There are several coming events which will support our purchase of furnishings for the new lounge. The PER's have generously donated two cruises, and raffle tickets are available at the bar and office. Each package is worth \$800, and only 100 tickets will be sold, at \$50 each. In addition, there will be a bus trip to Laughlin from January 25-27, and profits will be used for lounge furnishings. See flyers for details on these events.

Thanks to our members for your continuing support of our renovation projects.

Dan Martyn  
Renovation Chair

## A Message From The Leading Knight Jim Moyer

Fellow Elks,

As we move forward into this new year and with the holiday season behind us, let's reflect on our membership participation over the last few months.

Kudos to those who are donating their time and efforts to insure successful lodge activities. The return for these services is evident in our lodge's success and in the satisfaction and joy experienced by those individuals who get involved. The success can be measured by the increase in lodge members who are becoming involved in our various projects; those who helped Ben at the Christmas tree lot, braving the cold, wind and rain. To those who filled food boxes for our Christmas baskets and those who delivered them, thank you. Now that the lounge renovation has been completed, I look forward to 2015 and a great new year of lodge and community activities.

What's it going to take to get those who are on the verge of coming out and getting involved? YOU. Those of you who come out and participate make all the difference in the world. Invite new members to come to the lodge for dinner on Fridays. It takes people and involvement to make an Elks lodge work.

Remember "Elks Care and Elks Share"

## A Message From The Lecturing Knight Donna Leary

Well, the year has ended and we begin anew. We have all made our resolutions to change what we need to in our lives and pray we can keep our word. Those extra pounds that we gained over the holiday's, you know, you vowed to lose, the phone calls to friends and family you promised to be better about making - these are all just

words unless you actually follow through.

Your word is who you are; you're known to be a person that keeps it or one that doesn't. I choose to be one that does my best to keep it. I gave my word to be the best Elk I could when I gave my oath. I gave my word to do my best when I became one of your officers. I gave my word when I took on the challenge of being your Elks National Foundation Chairperson.

A new year is a time that we all take a little peek at ourselves and assess what we have accomplished or not. We make our resolutions to be better at whatever we think is important; to become a better person. Your officers have been doing their best and it shows with their accomplishments and dedication to try harder and be better.

This is going to be a great year! We have our new bar which was desperately needed. A lot of members quit coming to the lodge and quit bringing their friends and/or family. There isn't any reason to be embarrassed any longer. You don't have to take my word for it, you can come and be a part of your lodge once again and be proud you're an Elk.

I have a lot of events planned for ENF this year, and I am striving to be #1 in the state. We got close this year but I have a little more work to do to reach my goal. Your participation and desire to have a lot of fun will be requested. You joined the Elks to be part of an organization that does charitable work. ENF is just that, and imagine how simple it is to contribute. All you have to do is join in the "FUN"raisers that will be coming your way. We will be having a "50's" Sock Hop, Wine Tasting, and a "Gangster" night with our very own "certified" Italians in the kitchen. A Murder Mystery dinner is also in the works and always fun when you get into the theme. I am always impressed with the members that participate in my events where there is a theme. This year will be the year that brings our members together in the spirit as to why we joined Elkdom. Be a part of what makes a difference in your lodge, in your community and in yourself. Watch your calendars and flyers announcing all of the upcoming events. Make a New Years resolution to be the change, make a difference and have FUN doing it.

HAPPY NEW YEAR!

## A Message From The Secretary David Naccarato

I've ran this before but from questions I've been getting it's time again. When we donate to the Major Project/ Purple Pig/ and CHEMPI they have different levels of participation. To receive a Century Club Certificate and pin it requires a single donation of \$100. Once Fresno receives it they will release the certificate and Fresno keeps track of the Century Clubs and releases a Millennium Certificate when you

reach \$1000. They also have a 52 Club for those who want to work up to \$52. The Century Club is a single donation of \$100. But because I'm a softy and send in the money to Fresno when our account reaches \$3,000 I go through all of the Purple Pig reports from the first general meetings of each month and add up your donations and when you have accumulated \$100 I send in your name. By doing this papers get lost and you know I can't add so some may think it's taking longer than what you might think it should, that's why CHEMPI only accepts \$100 donations so there will not be any confusion. But if you bear with me we'll continue.

I want to say WOW to whomever put in the ramp leading up to my office. Very Cool. I have an idea of those that were involved and appreciate it very much. Not just for me but we have been renting out our conference room a little more and we look more professional.

Dave Anderson who had just unloaded 250 trees with other members went home to shower and change clothes, anything could have changed his mind about coming back to the meeting that Wednesday but he did anyway. Well capsule #2 worth \$150 had his name on it pulled and he was present. Dave turned around and donated \$50 to Scouts, \$50 to scholarship and \$50 to Purple Pig. Again Elks care-Elks Share.

Speaking of the Christmas tree lot we had many members down there braving the rain unloading the trees from Oregon. While they were unloading we were selling. The phone at the lodge was ablaze with calls from patrons that purchase their trees from us every year asking when we were going to open. I told them we are unloading as were speaking.

Looks like a good year. Alot of work but a nice income for the lodge in just 18 days. Thank you members of the tree lot. I've done it in the past, but just be in the way now. Thanks

Now this is interesting, In 1963 the call up of lodge was reduced from four raps to three raps, with three raps used previously as a signal to remove the blindfold. (removed in 1952)

In 1923 Green Bay lodge #259 held a fundraiser for newly formed Green Bay Packers.

On December 10th 1941, the Elks lost the Manila Lodge #761 to the Japanese invasion and then on January 4th 1942, the Agana,Guam, lodge #1281 was overrun; 489 Elk members and their families spent the remainder of the war in Japanese concentration camps.

On December 1st,1889, Allen O.Meyers, a member of Columbus lodge #37 in Ohio, named the first Sunday of December as our great Elk Memorial Day.

On September 30th,1908 PGER John K. Tener of the Charleroi Lodge umpired a spirited baseball game between Greensburg lodge #511 and the Boston Red Sox, led by Cy Young; The Elks won 2-0

Our Memorial Service on December 7, 2014 was a beautiful tribute to the memory of our departed Elks. Mike Flannery did a wonderful job coordinating the brunch and he and his fellow Kampers were there cooking, serving and cleaning; all this after doing the same for the AA breakfast earlier that morning.

My heartfelt thanks go to Jim and Kathy Moye, David and Jessica Stull, Jim Miller, Sherri Jones, Joe Nemtusak and Donna Leary. I also want to thank Kathy, Jessica, Sherri, Donna, Bill Sternberg and Max Maxwell for helping get the room ready quickly for the service and brunch. Kathy, Jessica, Sherri, Donna and Pam Price were kind enough to serve the guests. I arrived ready to fold napkins and these special ladies had them all done. You certainly made the day easy for me and I cannot thank you enough.

If I missed anyone, please accept my sincerest apologies.

# A Message From The Grand Exalted Ruler John D. Amen

## *Message from the Grand Exalted Ruler, JOHN D. AMEN*

Let's all resolve to boost Lodge membership  
Message from the Grand Exalted Ruler, JOHN D. AMEN

It is the start of a new calendar year, and now is the time to make a personal resolution regarding your Lodge Membership situation. Resolve to call upon all Members to help improve Lodge membership numbers because membership is our number one issue. Resolve to work these final months of the Lodge year for a plus membership year in your Lodge. Resolve to act now!

Lodge Secretaries and Exalted Rulers: Do not go it alone – ask for help from your key Members. Enlist the help of your Past Exalted Rulers Association. Additionally, you should engage the Proposers of delinquent Members to call on their initiates.

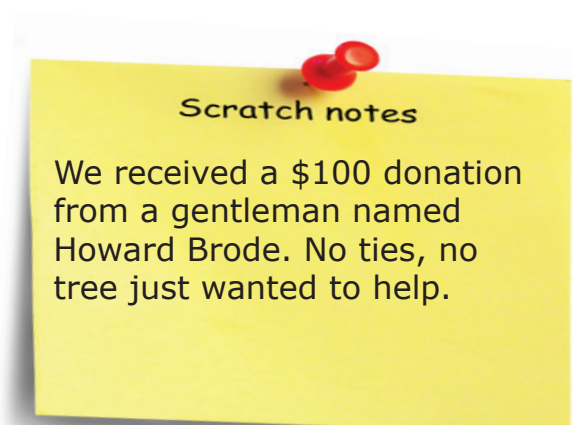

All local delinquent Members should receive a personal visit from a key Lodge Member. This will enable Lodge officials to determine if the delinquent Member is sick or in distress and should be the subject of a review by the Lodge Standing Relief Committee. The pride of distressed Members will often prevent them from talking about their situation on the phone. You know the Grand Lodge and State Association dues and per capitas have already been paid by the Lodge, and if you allow the Member to be dropped from the rolls then you will have gained nothing this year.

Special consideration should be given to delinquent Members who have attained Life Member status. These Members have paid at least 30 years of dues and may be in a situation where family members are making financial decisions for the Member. It is a shame to coldly drop these long-standing Members who may well be incapable of making their own financial decisions. Again, face-to-face visits with a delinquent Member is imperative.

Form a committee to call upon Members who have been dropped from the rolls the past five years, and remind them of the good works your Lodge does in your community. Let's all pull together to get the Plus 1 status for the Lodge and for the Order.

That's all for now. See you on the road...

~ John D. Amen G.E.R.

# Veterans - by Carl Lanterman

On December 4th, the Cal Vet Home–Ventura celebrated its 5-year Founders Day. The event was hosted by Administrator Michelle Roulston with Master of Ceremonies Col. George J. Compton, U.S. Army, ret., and was attended by many who were involved with the original opening. Some attendees were Mayor Cheryl Heitmann of Ventura and representatives of Congresswoman Julia Brownley’s office and Jackson’s office as well as Ron Greenwood and JC Oberst of the Gold Coast Veterans Foundation. Ventura County’s beloved Tuskegee Airman and wife, Madeline-volunteer extraordinaire-were also in attendance. Madeline is a recent recipient of a national American Legion Auxiliary award and RT is a past recipient of the Ventura County Stand Down Volunteer of the Year award, among other awards for both.

Besides Robert Jones bringing his karaoke system for monthly visits, the lodge also has provided a portable dance floor and member Bill Sternberg (also western region scouting chairman and lodge flag chairman) built an entertainment center and 3 large bulletin boards, still in use at the home. Annually, the residents are invited to attend a brunch and flag retirement at the lodge for Veterans Remembrance Month in November. Lodge members have provided thousands of dollars in donations of various types over the past five years.

On December 12th, Terry Gicking donned his Santa suit and made the children of military families happy at Operation Snowflake, put on by the Ventura County Military Collaborative. Sometimes, the call up of the National Guard and reservists poses particularly difficult situations with the families. Our lodge helps these families as part of the “Army-of-Hope” program established by the grand lodge, as implemented by our lodge.

The dinner for honoring our own veteran heroes in November was cancelled due to construction. Rescheduling has been difficult, but don’t give up.

January 31st is expected to see our first community based veterans event with a BBQ at 4pm and informal gathering afterwards. Watch for fliers.

Sickness and Distress:

*We continue to keep Kathy Ryder in prayer.*

Our annual Children's Christmas Party was held December 6th at the Lodge with approximately 50 children and about 20 parents in attendance. They enjoyed face painting, writing letters to Santa, making ornaments and decorating cookies. There was also a magic show by Robert Jones, Christmas carols by Rich Case on the guitar, his wife Niki and Dan & Beth Kozlowski and a visit from Santa!

Our annual Ladies Christmas Party was also held at the Lodge on December 9th and proved to be a fun and festive event of fellowship. There was music by K. C. Phillips, raffles and a visit from Santa. We also collected 193 donated unwrapped children's gifts from the guests at the party that will be used for the Christmas Baskets.

We would like to thank Tom Ryder and Chet Kozlowski, the kitchen crew and servers for the delicious meal of prime rib and salmon, Lynn Rodriguez and the Lady Elves, and of course Santa for yet another successful party.
