Remarkable Journey Exceeded Expectations

What a remarkable year of travel throughout the United States, witnessing the pride, dedication and commitment of Elkdom at every stop along the way. Words could never adequately express the emotions that Nancy and I have experienced, from tremendous joys and uncontrollable laughter to profound sadness, and every emotion in between. Nor could we ever sufficiently express our thanks for your service and for allowing us to play a small part in everything you do as Elks.

As your Grand Exalted Ruler, I have observed the expression of my theme “Elks Pride and Community Focus” in words and deeds. I have seen how “Elks Care – Elks Share” and the difference you are making with our youth, the military and our veterans. I have witnessed your tireless efforts in our VA homes and hospitals, the training centers for the physically and mentally challenged, the camps and schools for disadvantaged children and those with disabilities, and in so many other worthwhile causes. Indeed, the heartbeat of Elkdom beats throughout this nation, in every corner, along every corridor and in every city and community you serve. It is incredibly exciting to be an Elk and to recognize the gift we have in Elkdom. Our Members are inspired and engaged, our membership is trending in the right direction and we are more relevant today than at any time in our history. Our best days are ahead of us, as we take all that is good about Elkdom and raise it to another level, bringing fun and pride back into our Lodges and focusing on the benefits we offer to our communities.

As Nancy and I end this magnificent journey, please know that you have met and exceeded our every expectation! We are bursting with pride and appreciation, and take with us amazing memories that will last a lifetime. It has been “Grand” and you are indeed the “Best People on Earth.”

Leading Knight Jean Miraglia

The Lake Isabella fire was a disaster of major proportions. Over 200 homes were burned down to the ground, leaving hundreds homeless. I contacted the Wofford Heights Lodge #2358; they assured me that their

lodge was not affected by the fire. They welcomed all donations, especially clothing.

Steve Smith sent a flyer to all our members, and I posted flyers around the Lodge. The response was overwhelming. My living room was taken over by bags and boxes of clothing, bedding, towels and much more. To help you visualize the amount of items received, Jim Porter needed his truck and a trailer to take all the donations.

Once again Thousand Oaks Lodge stepped up to the plate and scored a home run. Thank you to all who donated. A special thank you to Jim Porter and Sherri Jones for delivering the items to the Wofford Heights Lodge.

Now on a brighter note, the meeting with Philip Daughton on July 9th was a success. All committee members came prepared, presented their reports and answered questions.

The meeting was followed by a delicious dinner of gourmet meatloaf and gourmet mac n' cheese, prepared by Jim Porter. Jim, your dinner was a huge success. He also has a fantastic crew. The Elks Ladies prepared an assortment of appetizers. Thank you Ladies. The dining room looked warm and inviting; our thanks to Donna Leary, Karen Martyn, Kathy Moye and Grace Garcia.

We had a great turnout for this event. There were visiting lodges from Lompoc, Santa Inez, Santa Maria, Oxnard, Simi Valley, Santa Clarita, Ventura and Oceano. It was a pleasant surprise having Exalted Ruler Mike Flannery and his First Lady Mary attend the dinner. Mike, get well soon. We are looking forward to seeing you back at the Lodge!

Fraternally,

I hope everyone is enjoying their summer and finding some time to come down to the lodge to volunteer, socialize with your fellow Elks with a cool refreshment, or just enjoy a good meal in the nice cool air!

We owe a very special thank you to Steve Smith, PER. As you all know, Steve took over being the editor of the Antler Antics back in 2015 and does a very fine job of it. Even though Steve and his wife Pam have relocated to Arizona, he works tirelessly to make sure we have one of the best newsletters around. This is sometimes a thankless task. It seems that no sooner than the Antler is published, it is time for Steve to start tackling the next month's issue. The weekly updates that he distributes to the members help keep everyone informed about what's coming up. Steve, your hard work is very much appreciated!

Regarding meals in the lodge for August, don't forget the Kampers will be cooking breakfast on the first and last Sunday of the month. The first Friday we will provide a complimentary Italian dinner prepared by Jean & Gregg Miraglia to the members of the bbq teams. **THANK YOU FOR WORKING SO DILIGENTLY ALL YEAR ROUND.** All lodge members are welcome to eat for a price of \$12 per person. There will be a sign-up sheet in the anteroom or you can call the bar for reservations.

Mary Baldrige will be cooking another fabulous dinner on Friday the 12th and following the Fish Fry on the 19th, "Pineapple Joe" Clancy & Crew will be hosting a very special Pacific Island dinner followed by dancing to the Runamucks. And of course, I cannot forget Jimmy Miller who will be cooking up his delicious steaks on initiation night, Wednesday, August 24th for \$10.

Come on down to the lodge and support the efforts of all our generous volunteers. We would not be a lodge without them!

Fraternally,

Hope everyone is enjoying their summer! This month I would like to highlight our very successful scholarship program and the great results from this past year. Here is an update from our wonderful Scholarship

Chairman (and this year's Elk of the Year), Richard Herrera:

Another year of the Most Valuable Student Leadership Contest and our Lodge did better overall than ever before. This year we had 11 high school seniors participate. The scholarship program is open to any senior. Students apply in the fall and anxiously await results, which come out in December for local judging. District is next, followed by state and national judging. Total awards for this year are as follows:

Boys:

-Kanhai Shah-W.H.S. 1st Place \$2,700
-Drake Shafer-T.O.H.S. 2nd Place \$5,050
-Alex Goodman-Loyola H.S. 3rd Place \$1,500

Girls:

-Roshni Dugar-Oak Park H.S. 1st Place \$24,700
-Shivani Govil-Camarillo H.S. 2nd Place \$1,850
-Roopa Chandra-Oak Park H.S. 3rd Place \$700

The scholarships are based on academics; S.A.T. or A.C.T. test scores; financial need; and involvement in school and community activities including employment.

Our local judging committee did a superb job with a few members also helping out at the district, and Richard Herrera attending the state judging.

Funds are raised in a number of ways including recycling funds, PER donations, personal donations and plant sales. Please help in any way you can.

If you would like to help, please contact me, Shirste Gessler or Richard Herrera directly.

The PERs Corner

All Exalted Rulers are required to attend the Grand Lodge Convention, which this year was held in Houston, Texas. The PER Association was back to its old tricks hosting the Exalted Rulers going away party.

Because we are the closest lodge to LAX, we invited the other 11 Exalted Rulers, our incoming DD and our District Leaders to a party to celebrate. The ERs returned to our lodge Saturday morning and traveled to the airport via transportation arranged by our PERs.

The theme of the party was "Houston, we have a problem." Catherine Koeritz and I, otherwise known as Cat-Dave Productions, put together a couple of skits. PER Leo Rodriguez appeared as Jose Jimenez "The Astronaut." With the help of David Pearson, Holly Healy, Catherine Koeritz and Terry Gicking, we reenacted the scene from Apollo 13 in which the engineers dumped a bunch of items on the desk and said, "This is what they have up there and we need to make this. Now get on it." As is our custom, we have parting gifts for the ERs so, just as in the movie, we dumped out their gifts.

PER Terry Baker built a "Rocket Racing Board" for our participation activity. We usually have horse races or pig races but, in keeping with the Houston theme, this time we added rocket races to the mix.

Tom and Greg Ryder cooked a meal that everyone enjoyed. Our Elk Ladies served the tables "family style" and a huge thank you goes out to them and Tom and Greg Ryder. A good time was had by all.

We were disappointed that our own ER Mike Flannery and First Lady Mary could not make the trip due to Mike's illness. Each year an alternate is chosen and it's been the policy of our lodge to have the previous ER be the alternate. Jim and Kathy Moye, with minimal prior notice, braved the high humidity and made the trip. Thanks Jim and Kathy. We look forward to Mike's speedy recovery.

David Naccarato, PER

House Committee Announcement

In response to some members questioning the basis for the recent adjustment of Bar prices, please note the following reasons:

1. Drink prices have not been adjusted since 2013.
2. During the last three years, employee expense has already increased significantly due to a 25% increase in the minimum wage, with another 5% mandatory

increase effective January 1, 2017.

3. Sales tax has increased to 7.5% with the possibility of a further increase to 8% in Ventura County, in order to fund highway projects.
4. Lodge operating costs, such as electricity, water and sewer, have increased significantly, as have the costs of supplies and services.

5. The adjusted prices remain competitive in our local market and will result in continuing profitability of club operations, which is necessary for Lodge operating expenses.

6. The increase is approximately 15%. Half of which will cover sales tax and is included in drink prices.

VENTURA COUNTY STAND DOWN JULY 29-31, 2016

Each year we seem to have a little more interest in the annual Stand Down from our lodge members. Earlier inquiries, more volunteers, donations; the enthusiasm even spreads to the other

lodes within the county. Here are the primary functions and people who help to make the Elks stand out in the Stand Down success.

1. Carl Lanterman, Art Urbano & Terry Gicking attend four months of coordination meetings and take care of

a multitude of detailed work in between while Tom Hartin organizes the group to

cook and serve lunch on Saturday. Chef Mike Lodi is working with the committee chair on food wherever he is needed.

a. Carl & Art organize transportation

and coordinate with other groups for fliers, on-site personnel, transportation providers, etc.

b. Art presides over the interdenominational church service on

Sunday.

c. Carl coordinates between Art, Terry & Tom with the Executive Committee. He also maintains the website: www.vstanddown.org.

d. Terry is the catalyst who organizes the involvement of other lodges; sharing

in provision of drinks, preparing & delivering bag lunches on Sunday and little things that we never see.

I will try to publish a complete list of T.O. Elks volunteer members in the September issue. David has always been available in the office for support in so many ways.

Thank you to all for making our Father's Day Brunch such a success! We had an amazing turnout this year serving 115 people! We made lots of our "Pops" happy! Thanks to Karen and David Naccarato, Jeri and Bill Miller, Tom, Jessica and Beth Kozlowski, Shirste and Charlotte Gessler, Marian Anderson, Mary Schultz, Madeleine Brockwell and Jeanie Sandt for your help!

We will be having our annual Ladies Appreciation Luncheon on August 20th so watch for more information to come soon!

On September 24th we will be having a luncheon and a Chinese Auction fundraiser which is going to be a lot of fun. The cost will be \$15 for BBQ pulled pork and Chinese chicken salad. Lunch starts at noon. This is definitely an event you shouldn't pass up! Bring your friends, bring your husbands and significant oth-

ers. Come on down to the Lodge, have a delicious lunch and bid on some fun items! This Chinese Auction is one you don't want to miss!

Our July Inspiration from our Chaplain: Independence Day was here and is over. As we celebrated the Fourth of July I hope we will all remember the true significance. It's not just a day to celebrate the day off, have a picnic, or watch fireworks though I did enjoy those things myself. Now let us all remember what it means, that our independence and status as a nation is defined by a value that has made this a great country, faith in God, hard work, persistence, a free economic system, and the ethics which have evolved into making our country the most powerful nation on earth.

Is it all just happenstance? I think not. Our constitution, bill of rights, and amendments have served us well through the

centuries since we proclaimed our independence July 4, 1776. Our basic values and ethics of government which were unique among the nations of the day still remain as unique as they were so long ago. Since that time we have learned self-reliance in patriotism that is so often not seen in the times in which we live. We owe much to past generations for what was bequeathed to us in which we are able to have the Elks and the Elks ladies.

Eternal God of nations in the world, may we never forget the bounty of your favor upon our land. May we never forget the sacrifices of her forbearers who gave their all so we could remain a free country. We strive to move forward into the future with courage in faith, working with Elks ladies at their best. In Your Holy Name We Pray, Amen.

El Konejo Kampers

Valencia's Travel Village was the site of the June campout. While there were only five rigs present, we were treated to extra special pleasant weather. Many of the usual campers had

reservations about going to Valencia in June as it can be pretty toasty when the sun starts flexing its summer muscles. We all enjoyed the unusually cool weather. Joe and Judy Nemtusak were our hosts and they did a fine job of organizing meals, raffles and the Sheriff. Speaking of the Sheriff, Judy asked my David to be the Sheriff and, I have to admit, I had my own reservations as he had never done it before. I asked him to be kind and even suggested he levy fines as couples just to get it over with. He surprised me and used

one couple, but was able to get something on nearly everyone and we all enjoyed his perspective. Being Sheriff is not an easy job, I have done it before, and you have to pay attention to what everyone is doing in order to "catch" them doing something silly. Striking a balance between mean and silly is another skill needed. Just saying!

Most of us really relaxed this time with people shopping, visiting and chatting with friends, walking and riding bikes. Nothing in the way of planned activities took place. Which is just as well as it is sometimes nice not to feel the pressure of playing games or organized recreating.

That being said, we look forward to upcoming Oceano-Five Cities Elks Lodge in July and Port Hueneme in August. Wishing everyone a wonderful summer

and I hope to see more of you around at the meetings on the last Sunday of the month following the lodge breakfast. We had a great turnout on June 26.

Speaking of breakfast, (we were speaking of breakfast, right?), the El Konejo Kampers served 60 AA breakfasts and 41 Elks breakfasts on June 5 and on June 26 we served 73 AAs and 20 Elks breakfasts for a grand total of 194 breakfasts for June. Another fine effort. As a final note, although breakfast has been discontinued on most Sundays, the Kampers will continue to cook for the Elks on the first and last Sunday of each month as long as there is a demand. We don't require reservations, and we make the best eggs, omelets and pancakes to order in town. Call some friends and come on down.
