LODGE ROOM RENTALS

Attention Members: Are you planning a party, banquet, wedding, birthday or other special event? Our renovated Lodge Room is available for rental at very reasonable rates. Catering can be arranged. For more information contact Brooke at 805 496 4550.

Elk of the Month

My choice for Elk of the Month of February is Victoria Novak. Victoria is a retired Registered Nurse who worked at Tarzana Medical Center and is a member of the El Konejo Kampers. She spent most of the month of December at our Christmas Tree Lot, where she advertised and drummed up business and entertained the public, especially the children, in her Santa Claus suit.

Thank You, Victoria

"Thank You" Letters to the Lodge

As secretary I read a lot of letters that come into the lodge. The following are some examples of letters sent to us in appreciation for what we do.

For the Charity Baskets

We received a thank you card from the Johnson family for the "Christmas Cheer Basket" of food and presents we delivered on December 17th. They mentioned that the stuffed bear, given to their daughter, is the same size as she is. We also received a thank you letter from the Bravo Family in Santa Paula.

85 year-old Bob Lewis at Glen Oaks Apartments wrote, "You gave me so much food I shared with my neighbor." The neighbor wrote, "Thank you for your generosity of the amazing items packed in those boxes. God Bless, Nora." The Hermo family wrote, "The turkey and manna was amazing. We'll be forever grateful." Susan Polo wrote, "Dear Elks, thank you for the food and presents. You definitely brightened our holiday."

And another letter from the "Dosa" of the Thunderbird Mobile Home Park or as we call it "Lodge West".

To the Angels of the Elks Lodge,

Once again I want to thank you for the lovely Christmas box with food and presents for the girls. They were so excited and appreciative especially since I called in so late this year.

Thank you all for all you do for the community and families of Thousand Oaks. May God bless and keep you today and always.

Patty Dosa

For the Dictionary Project

We also received thank you letters from some of the 3rd graders for their dictionaries. Some people say that, with the development computers and the internet, we are wasting our money. Most

Exalted Ruler Mike Flannery

We are already one month into the New Year. We started off the month on New Year's Day with the annual "Hair of the Dog Party." It seems like a good time was had by all. On January

4th, at our first meeting of the year, we had the voting on By-Law and House Rule Amendments. We passed three amendments; to lower the fees for Initiations, raise the regular lodge dues, and prohibit the smoking of marijuana on the Lodge premises.

The storage area in the northwest corner of the Lodge Room has been rearranged. This area is now limited to storage for a chair dolly, the four chair officers' stations, the altar, the capsule container, the poker table and the Lodge Esquire's table. There will be no other items stored in this area, such as empty cardboard or plastic boxes, or full cardboard or plastic boxes, easels, Christmas decorations, extra chairs or any junk which you do not know where to store.

The kitchen will be closed from Tuesday, January 17th, to Thursday, January 19th, for the semi-annual heavy cleaning. Bingo is back, the first and third Thursdays at 1:00 pm. Everyone is welcome. February starts off with the Police and Firefighter's Appreciation Night, hosted once again by Paul Stein on February 3rd. Paul puts on a great show and a great dinner. Everyone is invited to attend. On February 7th, we have officer nominations. February 11th is the Leading/Loyal Knight Clinic hosted by Santa Maria Lodge #1538. February 14th is Valentine's Day. February 16th is the celebration of the 148th birthday of our Order. February 22nd is PER night with the PERs hosting our meeting at which our annual election of officers will take place. Please plan to attend.

Thank You,

Mike Flannery

"HAPPY NEW YEAR" to all our members and their families. The year 2016 was a successful year for our Lodge. We extended a hand and supported our community. We

brought smiles to the faces of the Special Needs students at the Dean Trigg's School, by way of a Carnival and Petting Zoo. Thousand Oaks Lodge had many successful fundraisers last year. ENF Chairman Donna Leary's "Mystery Night Dinner Show" was well attended, and a huge success. We participated in a Golf Tournament, a Laughlin Bus Trip, Walk for Breast Cancer, and the Thousand Oaks Street Fair, where our BBQ teams served up our renowned Lodge Fare.

The month of December began with the selling of Christmas Trees. The Lodge had a successful two weeks. A special "Thank You" to Carlson's Building Material for their generosity and donations. Every year they let us set up our tree lot on their property, and present us with a generous donation. We ended the month with the Charity Basket Program. We serviced 96 seniors and families. We received many cards and notes of thanks for the food baskets. As always, the Charity Basket Program was a huge success. You know you "DID GOOD" when you see the recipients' faces or read their notes.

I am looking forward to 2017, and to the many successful events and fundraisers.

Fraternally,

Jean Miraglia

We have a couple of special events in February which you should consider attending. First, we have our annual Police and Firefighters Appreciation Night on Friday, February 3rd.

Please come to honor these men and women who protect and serve our community. There will be a bbq dinner hosted by Paul Stein and space is limited, so please make reservations as soon as possible.

On Sunday, February 5th, we will be holding our annual Super Bowl party hosted by David Pearson. Come on down and enjoy food, fun and friends while watching the game. This annual even is always a blast.

Speaking of blasts, our 5th annual Hair of the Dog party took place on January 1, 2017. Thanks to all participants. The food was great, there was no shortage of discounted spirits, and even without the Rose Bowl, there were still some pretty fun games. Fortunately, most of us were off from work the next day! Through the generosity of our participating members, we were able to award \$300 in prizes and donate \$176 to the Purple Pig.

That's it for this month. We've got plenty of good dinners coming your way, so please check your calendar for details.

Happy New Year Elks!

Steve and Mary Woodlief have been busy with the Dictionary Program. They have only three cases of books left and one more school to go to. I

know how much they both enjoy meeting with the third graders and handing out the dictionaries but I also know how time consuming it is for them. Thank you again for all the work you do.

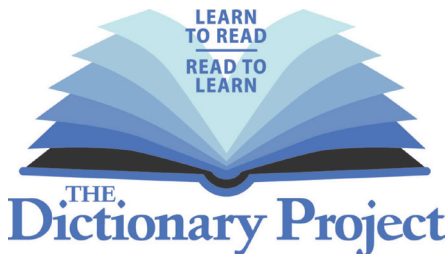

Thank you to Rick Herrera for spending all the time you do to make our Scholarship Program such a success. At our last Wednesday night meeting, Rick provided an update that the scholarship budget is a little short so please don't forget to collect cash redemption recyclables in plastic, glass and aluminum for our scholarship program. Bring these recyclables down to the Lodge and drop them off in the parking lot! We need your help!

I really enjoyed the Hair of the Dog Party on New Year's Day. The potluck was delicious and everyone had a great time. Thanks Dan and Karen for putting on a great party!

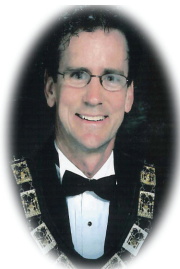

Here is to a great 2017!

Fraternally,

Shirste Gessler

Secretary David Naccarato

In 1966 following a loss to Notre Dame of 51-0 coach John McKay of USC tried to console his team by stating "It doesn't matter. There are 750 Million people in China who don't even

know this game was played! The next day a guy called long distance from China and asked him, "What happen Coach?"

In McKay's defense he did win the Rose Bowl four times and had two teams that went undefeated.

I've written in the past about how we received our name "Elk". Sure I said it was a vote between the buffalo and the elk and the vote came down to 8 to 7 in favor of the elk, but why an animal at all? When the drinking club, called the "Jolly Corks", started to grow, the members felt they needed a more dignified name along the lines of the Order of Buffaloes in England. So, looking for inspiration, the group took a stroll and wandered into Barnum's American Museum in New York.

At the museum, they filed passed the taxidermy exhibits they considered one exhibit after another, and rejected one animal after another. The bears were too violent, the beavers were too destructive and foxes were too devious. Finally, they came upon a strong looking creature with proud spreading antlers, about whom no negative quality sprang to mind.

When the idea was brought to a vote, on February 16,th 1868, the majority agreed. The erstwhile Jolly Corks would from then on be known as the Benevolent and Protective Order of Elks.

Hoop Shoot Report (pictures on page 8)

The Lodge held our 2017 Hoop-Shoot on Saturday, January 14th. Twelve students participated and six shooters will be going to Santa Barbara for the District Shoot. I had some great help this year. Gerry Gillies brought his granddaughter to help shag balls until I found out her age. I had her shoot and it's a good thing I did because she won the division for girls 8 and 9 years old.

Robert "Bobby" Williams came out to help and brought three neighbor boys to shoot. One of the boys he brought won the division for boys 8 and 9 years old. My wife, Karen, handled registration for me and kept that portion straight. Ages

had to be verified so the kids did not shoot in the wrong age category. Tom Hartin came out again. He has done this, and the Soccer Shoot, for so many years, it's second nature to him.

Duty Officer Jim Moye, PER was on hand to get things going, along with PER Leo Rodriguez. It was a good day. We used the courts at the school across the street so we saved the lodge a gym rental.

The winners are:

Boys:

8 & 9 years old Shamus Fowler
10 & 11 years old Alex Chow
12 & 13 years old Kanyen Chan

Girls:

8 & 9 years old Brooke Warren
10 & 11 years old Eva Bowers
12 & 13 years old Ashley Chow

These kids will be going up against the other 11 lodges in our district on Sunday, January 22nd, at the Ben Page Youth Center at 9:30 am in Santa Barbara. They will also be invited to our Youth Appreciation Dinner on May 5th. Please come out for a spaghetti dinner that day and show them the support of this lodge.

Letters to the Lodge continued

of the letters say the students like the sign language and the longest word in the English language.

This letter, from Cristina, sums it up.

Dear Elks and Mr. and Mrs. Woodlief,

I want to thank you for the dictionary. The favorite part in the dictionary is it will help me spell words I don't know how to spell. I will use it carefully and gently because it is my own first book. I will read this book if I need help. Thank you for this book.

Christina

Another thanks from a future Elk, Luke (I can tell by the attitude).

Dear Elks Lodge and Mr. and Mrs. Woodlief,

I want to thank you for giving all the third graders dictionaries! I just wonder how you got them and did you do this last year? I also want to know if you have a license for this? JK. I looked in my dictionary to find the word license. I don't know about you but I am famished. The underlined words I looked up from my dictionary. I don't know if you are famous but I will take care of my dictionary. I hope you will do this for other schools. I will take care of my dictionary and you are awesome!

What to do when a veteran passes away:

The Department of Veterans Affairs (VA) realizes the loss of a loved one is a difficult experience. VA has established a streamlined process for families, executors and legal representatives to follow to notify the VA about the death of a veteran enrolled in the VA health system.

Why should I notify the VA about the death of an enrolled veteran?

- Notifying the VA limits the chance for others to falsely use the veteran's identity.
- By updating the veteran's information, you will reduce the likelihood of the VA

continuing to send correspondence about VA benefits, services and bills.

- You will be helping the VA to maintain up-to-date records, which will enhance the agency's efforts to better distribute services to the veteran community.

Steps for notifying the VA are simple and easy to follow:

1. The next of kin and/or legally authorized representative under State law should obtain an official copy of the veteran's death certificate.
2. Submit the death certificate to the Office of Decedent Affairs at the VA medical facility where the veteran was

receiving healthcare benefits or contact VA Health Resources Center at 1-877-222-VETS for additional instructions. (Above information issued by U.S. Department of Veterans Affairs)

If any veteran needs a VA card, please let me know and I can direct you where to go in Oxnard to obtain the card.

As always, thanks to our members for your support of our veterans.

Happy New Year from the Elks Ladies!

June Leadam led our nominating committee this year. Thank you June! We are happy to announce that we have a full slate of officers for the 2017-18 year that will be presented at our next meeting.

Installation of the Elks Ladies officers

will take place at the Lodge the second Tuesday in March.

The Elks Ladies are not having a major project fundraiser in February this year. We had a successful Dark Shadows event in April and a successful Chinese Auction event in September this past year enabling us to make some generous

donations to Major Project, ENF and the Dictionary Program.

Note: It was previously announced that our Ladies meetings were changing. There is an update – the Ladies meetings are not changing, the meetings will continue on the first Tuesday of each month at 7pm.

El Konejo Kampers

It has been an honor serving as the El Konejo Kampers' President for the last two years. While a little nervous starting out, I realized that with Jim M and Mike F busy with Lodge offices, namely, Exalted Rulers, someone needed to step up to the plate and take the role of President. So that I did and continued on the next year as we had no volunteers - imagine that!

Well, my time is through and we have a wonderful new board coming in. First, I would like to thank my officers, Beverly Erickson, Cheryl Templeton and Sue Osgood for their wonderful attitudes and industrious nature. Included in this group is Sherri Jones who was VP in my first year. You have all been great to work with. Not any less important is the Membership Chair, Joel Erickson, who serves as the Webmaster, too, Sunshine Chair, Mary Flannery, and Nominations Chair, Jim Moye. I cannot remember who (or even if we had one year before last), but if we did, thank you, too. Our Chaplain office has been sketchy, but thanks to everyone who took a turn providing closing prayers to our meetings. It is very much appreciated. Crew leaders

for the breakfasts are crucial to the success of the operation, so I'd like to thank Mike Flannery and Jim Moye who have done the majority of the work, and also Sherri Jones, who fills in when she can. Now, even these crew chiefs would fail if it weren't for all the volunteers who get up at the crack of dawn to cook breakfast - I'm talking starting time of 6:30 am. We have so many but a core group includes Kathy Moye, Patty Bauman, Sue Osgood, Toni Hartin, Jim Miller, David Stull, Jessica Stull, Jesse Garcia, and Cheryl Templeton. Others include Faye Stevens, Jane Watson, Virginia Grindley, Joe Nemtusak, Beverly and Joel Erickson, Mary Flannery, Ed and Donna Coleman, Jim and Diane Lovato, Carol Spinner, and Jim Mullen. If you have ever helped and I forgot to mention you, know that we all appreciate your time. Come back more, we can use you!

I always write about how hard we work and make money for the group, but often I forget to tell you where that money goes. As of 10/31/16, the Kampers have donated \$14,232.22 to the Lodge for redoing the parking lot, ENF, Major Project, Veterans, and the Christmas baskets. This isn't the end either, we have approved replacing the pantry refrigeration for up to \$1,500.00 and I'm sure there will be more once the accounting is completed. I couldn't be

prouder to have served with this group. But, all good things must come to an end.

Now, for the good news. Our new President for 2017 is Sherri Jones and the new Vice President is Virginia Grindley. These newly elected officers have been asking questions and researching our by-laws etc., and are eager to get in there and roll up their sleeves. I know it will be a great year especially since Sue Osgood and Cheryl Templeton have agreed to stay on as Secretary and Treasurer, respectively.

The annual Kampers Brunch was a huge success and a big thanks to all those who worked the event and all those who attended. Beverly Erickson took the lead on this and did a splendid job. There may be more later on this event but I'm running out of space, so I must be succinct.

On December 4, 2016 the Kampers served 63 AA breakfast and cooked for the Memorial Service held that day. On December 18 we served 40 AAs and 27 Elks. The date was moved up by one week due to Christmas.

My best wishes to all you readers for 2017.
