## Elk of the Month

My choice for April's Elk of the Month is Jim Porter. Jim has treated our members to his cooking skills on a regular basis, and on numerous occasions has given his time to prepare meals for special events. Sometimes, Jim will provide home cooked lunches for members. Because of his work hours, this is not easy. If Jim had the time, I would ask him to be our exalted lodge chef. Thanks Jim, for all you do!

## Exalted Ruler Karen Martyn

It looks like Spring has sprung! Although we did not have much of a winter, it's always nice to see the leaves and flowers come back to life.

I would like to begin by thanking PER Jean Miraglia for all the

hard work she did as our Exalted Ruler this past year. I know it was not easy at times; I'm told it comes with the job, but she persevered in light of her ongoing struggle with an injured shoulder. Jean, your dedication is much appreciated.

I am excited to be our lodge's Exalted Ruler for the 2018-2019 year. I am honored that you elected me, and I pray that I can meet the membership's expectations and look forward to working with a great officer corps and dedicated committee chairs. Thanks to everyone who either stayed on in their positions or stepped up to new positions. I believe we will work well together and continue to make this lodge the best it can be, servicing the community and our many charitable causes.

Later this month, the Leading Knight, Loyal Knight and myself will be attending our first DD Clinic of the year in Santa Barbara. I will report back to you in next month's Antler what it was all about.

At the last House Committee, it was brought to our attention that the lodge is continuing to receive unwanted items, including paint, electronics, furniture, appliances and hospital gear that members wish to discard. Please remember that our lodge cannot accept any donations from anyone without the consent of our Board of Trustees. If you have anything to discard, please take it to the appropriate recycling center.

With regard to Elk of the Month, I want to let the membership know the guidelines. The purpose of the Elk of the Month is to recognize members who volunteer their time and efforts on a regular basis. When this individual is chosen, they will have their own parking spot for the month, along with a complimentary Friday Night Dinner in that month only. Current officers and any Elk of the Year are not

## Leading Knight Dan Hoffman

I am looking forward to this year representing all of you as your LEADING KNIGHT. I will be focused on the principles of not only the charity of alms, but also the charity of thought,

word and deed. The influence of a good deed, honestly and promptly performed, will continue forever. The emblem of the Leading Knight station is the Flag of our Country and its motto is Charity. There are countless opportunities to participate in the many Lodge programs and events throughout the year, which provide you with the ability to embrace Charity and perform good deeds.

I am blessed to have the support of several veteran Committee Chairs assisting me with my responsibilities this year. Thank You Donna Leary, Art Garcia and Alex Rogers. I am anticipating great accomplishments with the work we will be doing for the Elks National Foundation and Major Project/Purple Pig. The Christmas Basket Program will be a major priority for me. The Christmas Tree Lot is absolutely a great opportunity to get in the "Holiday Spirit". I ask all of you to support the events we are scheduling this year to generate funds to support these noble projects.

My door is always open and I welcome any suggestions or thoughts you might have in an effort to have a successful, inclusive and enjoyable year at our Lodge. In this article, I have drawn on several of the words directly from our Ritual Ceremony. In closing, legend teaches us that Charity is the greatest of all virtues; and that it should ever rule us in our hearts and in our lives, leading us to speak no unkind word, to harbor no evil thought, to bear no malice, to support no wrong, but to nurture, love and protect; to condone, forgive and forget.

Sandy and I hope you all had a great Easter. As always, I may be reached at fivehofies@yahoo.com and 818-822-2219.

## Loyal Knight Paul Radomski

You can learn a lot about the history of Elks Lodge 2477 by reading the archives of the Antler Antics. They go all the way back to March 2002. We have a great Web page at [elks2477.com](http://elks2477.com). Even the Grand Lodge likes

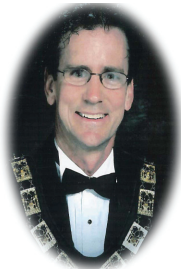

it. The main page has a drop down menu button called Lodge Resources, Click on it to select Antler Archives. There are some great pictures in there of current Lodge members when they sported a younger look. More importantly though, you can see and read about all the great past achievements that make up the foundation of what we are today.

Somehow I think I evolved into being one of those people who favors out-of-the-box thinking. Fresh ideas really appeal to me. As I read some of the great "fun-raising" ideas, I think how creative our past Elk members were and still are. It would be fun to look at past events and see if they can be spun a different way, yet achieve the same or better results. Did you know that we used to have a Rummage Sale? We also had a something called a South of the Boarder party. Back in the day we took a bus to the Magic Castle. One of the plays that our members used to put on was called Murder Mystery. What about the annual Lodge Picnic? If you see Annie Pearson or Tom Hartin around the Lodge, you can say to them, "Hey, I heard that you were the Elk-sponsored Grand Marshal for the Conejo Valley Days once." And, there used to be an exclusive club called the Jolly Corks whose membership, from what I can tell in the pictures, requires the candidate to dress in drag. Hey! Now that's creative!

As your new Loyal Knight, I will embrace new or recycled ideas. My only requirement is that we have fun in what we do. I look forward to working with our new Exalted Ruler Karen Martyn and all the officers. Let us all recapture the spirit of Elksdom together!

Paul Radomski  
Loyal Knight

## Secretary David Naccarato

To all those who donated to the Major Project/Purple Pig along with paying their dues, I want to say thank you. The reality of an Elks lodge is that we have the Scouts, Veterans, Youth Activities, Drug

Awareness, Scholarship, Purple Pig, ENF and Christmas cheer programs. We have other needs that come up during the year and our only source to fund these programs is our members. It's what we do and why we joined the Elks, to help others. No one is expected to donate to every program. If your situation allows for it or you have a passion about a particular Elks program, then that's the one you support. With 452 members, every chairman should have no difficulty raising the money needed to fund their program.

Now, on the dues notice, I included a few of our programs as a reminder of what it is we do and many of our members donated "Around the Horn" as I like to call it (a craps term). They all gave a little bit to each program. Our chairmen thank you and I want to make note of your generosity. Those members are Eugene Letourneau, Terry Baker, PER, Richard Shaw, Dennis Shankel, Steve Brodie, Steve Buczynski, Dave Anderson, Allan Gotlieb, Kenneth Kolde, Art Garcia, Jerry Gilmore, Jon Preston, Jay Schmidt, Robert" Bobby" Williams, Erle Pittman, PER and Don Skinner, PER.

Donors to our Veterans fund are Gerald Feldman, Tommy Claunch, Greg Bolin, Sandra Ragan, Doug Bevan, Steve Kammerer, David Blackburn, Leslie Donovan, John Perry, Larry Lowman, Craig Lopez, Michael Spector, Richard Rogers, Marshall Knowlton, Bill Lloyd, PDDGER and Ben Rieger. Many of our donors were military men and want to show their support.

At the start of the year, our scholarship fund was in the red, but through the generosity of our members it has turned around with extra help from Doug Brown, Joel Erickson, Daniel Hawkins, Mike Mathews, Bill Figge, Brenda Hagen and Ed Rice. ENF donors were, Gerald Feldman, Butch Price and Adelaide

Bingo was held on March 1<sup>st</sup> and 15<sup>th</sup>. We average 12-15 players a game. I visited another bingo hot spot that blew ours out of the water with the amount of their prizes per game. I provide lunch and a good time but the all mighty dollar is where it's at. After giving 20% to scholarships (which is in the red at the moment) the rest is divided up based on the number of games played. We average a \$10 spot each game with \$20 on double action. I offer extras to give everyone a chance to go home a winner. The big casinos in Vegas were not built on winners, unfortunately.

The games were pretty much one-sided with Lynn coming away with three wins and new member Dreena also with three wins. Betty McFarlin (finally spelled right) won two games and Donna from the Thunderbird mobile home park went home a winner. I must say that without the support from the members that live at Thunderbird, our bingo games would go by the wayside. They are diligent and I appreciate it.

Juanita, who mails our Antler Antics, won a game so we should not see a disruption in the mailing of the Antler Antics. Marion Anderson was also a winner. Of course after having a sandwich prepared by my wife they are all winners. I have to take a moment and thank Karen for helping me out. She does the shopping, creates the sandwiches, kneads her own bread (OK too much?) and it is a big help. I have fun when others are enjoying themselves. The players win, I win, scholarships wins and the Trustees get theirs. It's a win win all around.

David Naccarato, PER

### *Secretary's message continued*

Wavra. Scouting Donors were Bill Miller, Joel Erickson, Bill Sternberg, PER, Billy Sternberg, Richard Rogers and Rosemary Prince.

Once again, this year Bill Smail donated \$500 to the Purple Pig and \$500 to the parking lot fund. Thank you Bill.

Please remember that the payment date for dues is April 1, 2018, and we welcome any further contributions to our projects.

## Veterans Services

**Dates to Remember** (Taken from VFW Calendar)

April 6<sup>th</sup> – Army Day

April 9<sup>th</sup> – POW/MIA Recognition Day

April 11, 1991 – Persian Gulf War Cease Fire

**BINGO** @ Sepulveda V.A. - 2<sup>nd</sup> Friday each month at 1:00pm 16111 Plummer St., at Woodley, Sepulveda, CA

**KARAOKE** @ Cal Vet Home - Ventura - Currently under review.

POW/MIA Recognition Day: This day was established by an Act of Congress, in 1998 with the Defense Authorization Act. It is one of six days that the POW/MIA

Flag can be flown. The POW/MIA flag was first recognized in 1990. The POW/MIA Flag should not be larger than the United States flag. It is generally flown immediately below or adjacent to the United States flag as second in order of precedence.

Our karaoke nights on Thursday @ 6pm are not working out well. We are considering an alternative schedule. Remember the upcoming Ventura County Stand Down at the end of July, and Veterans Brunch on the first Sunday in November. Schedules will be posted as we get closer to the dates.

We are continuing to help veterans through the ENF/NVSC Welcome Home Program. Two more veterans were assisted in buying furniture and utensils.

This month, the Elks Ladies would like to recognize Faye Stevens. You can see Faye working on the Saturday BBQ's, off site BBQ's and in the kitchen for many different dinners. When the need arose to fill the spot of Secretary for the Board of Officer's in our organization, Faye stepped up

and took the position. She really did a very good job over the past year and we are very thankful for her stepping up. Faye has also volunteered on many occasions over the past years and we thank you Faye for all of your hard work and effort!

Installation of the 2018 – 2019 Board of Officers for the Elks Ladies of Thousand Oaks Elks Lodge #2477 will be held at the Lodge on Tuesday April 10, 2018 at 6:00 pm. Appetizers will be served prior to the Installation and there will be a short meeting immediately following Installation. Dessert will be served immediately following the meeting.

We are still in need of a 2<sup>nd</sup> Vice President and a Chaplain. If you are interested in getting involved and taking either one these positions, contact Karen Naccarato at 805-496-2477.

Finally, some fun food for thought. A sense of humor is to understand a joke and that the joke is oneself. Real friends are those who when you've made a fool of yourself, don't feel that you've done a permanent job! Wisdom, compassion, and courage are the three universally recognized moral qualities of men and women! To acquire knowledge, one must study; but to acquire wisdom, one must observe!

## El Konejo Kampers

The March campout was the little campout that almost wasn't. Originally the group was scheduled to go to Newport Dunes with the Simi Elks, but it was cancelled because it was scheduled for

St. Patrick's Day weekend. Now we love our camping, but we love our corned beef dinners more! However, our new VP, Rita DaCorsi, was quick on her feet and scheduled a trip to Lake Casitas earlier in the month. While many people had already made other plans, a few diehards went to Lake Casitas. Included were the Ericksons; the Gesslers; John Puckett; and Virginia Grindley; and of course, Ed and Rita DaCorsi. Visiting for a day were Kathy Jenkins and her daughter, Diane.

Kathy is John and Virginia's mother and a former EKK member and Diane is their sister.

I certainly wish I'd been there to witness the setup of this group. I'm told it was pretty funny. Seems no one liked their assigned spaces as one had a TV signal issue, another was a not-level site and finally, another made us a misophobic (fear of mud or dirt). With the rain coming, I suppose this made sense. First, they moved to different sites, then, they moved to a different section. Great fun - NOT. For myself, I hate the setting up and tearing down, so I'm sure I would have been a pill if I had to do that.

Well, back to Rita and Ed, the wagon masters for this outing. Rita and Ed had fully crafted a weekend plan for

their very first time as wagon masters. Unfortunately, nobody who went seemed to have read it. So, the hot dogs and salads she planned to have for Thursday dinner were enjoyed by everyone for lunch on Friday. Good try, Rita. We'll eventually get the hang of it. Saturday the group pulled together an impromptu brunch and I'm told it was a lovely spread with everything you could want.

Kelly Jo, Virginia's longtime friend, showed up on Saturday so she and Virginia could go to the Chumash Casino. No one actually saw them return (meaning it was late) and I have not heard the outcome. I do know that Virginia was very lucky as she won the 50/50 AND one of the free campouts. Could she have hit it big at Chumash and isn't telling? The other campout winners were the Ericksons.
