Elk of the Month

Our Elk of the Month for June is John Puckett. John works our bbq and in the kitchen, and has started a dart tournament which has brought members and guests into the lodge on Tuesday evenings. John is extremely competitive when it comes to darts, cornhole with the Kampers, or golf. John regularly attends weekly meetings, and has won Bull Elk of the Week on more than one occasion.

Thanks John for all you do.

Exalted Ruler Karen Martyn

On Mother's Day, our lodge held a beautiful ritual and buffet. I would like to thank all those who attended, and the officers who helped in the planning and who participated in this annual event, particularly

our Lodge Chaplain Richard Platt and his wife Gayle. A very special thank you to the kitchen crew who prepared a delicious breakfast: Kathy & Jim Moye, Trish and Allen Ito, and Mike Flannery. David Naccarato treated us to his famous waffles with strawberries and whipped cream, and Donna Leary provided us with beautiful centerpieces. All your volunteer efforts are so much appreciated.

I read an article in the June edition of the Grand Lodge Newsletter written by Rick Gathen, who is the Membership and Marketing Manager. It tells us that lodges that are growing in membership embrace change. I have been hearing whining from certain members for the past 10 years about how the lodge used to be, and how we need to go back to the way we were, etc. My reaction is always the same. How was the lodge better? I have seen so many wonderful changes over the years. The lodge facility has never looked better. Our membership has grown over the last few years despite membership losses, sadly including members who have passed away. Our books are current and accurate and we are operating within our budget. We are financially sound. We have new members reaching out to be officers and volunteers for committees and our bbq. Our room rentals are up and our bbq has never done better. We continue to strongly support our ENF, Purple Pig, Veterans, Scouts, Youth and Charity Basket Programs.

There is always room for improvement, but change has helped our lodge grow. All members should be aware of our accomplishments and be proud to be members of our lodge. Let's continue to keep things moving forward in a positive direction.

Wow, May was a busy month. I wanted to thank Tom Hartin and everyone that took the time to work our booth at the Chili Cook Off, Conejo Valley Kids Day and Conejo Valley Days. Our presence

at these community events is extremely important and it is noticed. I was happy to see that the local Ventura County Star and the Acorn recognized our involvement in these worthwhile and long standing community events. Tom did a great job of managing our presence at the events. The dedication of all of our members who took the time from their personal lives to "man the stations" is heartwarming and goes to the heart of "Elks Care Elks Share". I assure you, due to our long time presence at these events, folks seek us out for our great BBQ and view our presence at these events as a family tradition.

June, once again, means that the Elks Ladies will be preparing a wonderful Father's Day Brunch on June 17th. I promise you will not regret taking advantage of the great menu and bargain price for home cooked food. Plus the camaraderie of joining other member families is always enjoyable. The effort and time that the Elks Ladies put into this event shows. Refer to the enclosed flyer and calendar for more details.

One of the reasons I wanted to become an Elk was organization's commitment to Patriotism and the Flag of our Country. Our Lodge will be having our Flag Day Service on June 10th. Our Grand Lodge, in 1911, made the observance of Flag Day mandatory in all Lodges, making the Elks the first and only organization to officially do so. Our Flag Day Service is supported by the Scouts and our Ritual presents the history of our Flag with their narrative scenes. Please take the time to attend this celebration of our Flag's birthday. It is an unforgettable Elk experience.

Sandy and I wish all of the Dads Happy Father's Day. I hope to see you at the Lodge.

Loyal Knight Paul Radomski

What great activities we had last month! Numerous kudos are in order to all those who volunteered to make May fun-filled. The Youth Appreciation dinner was awesome once again with another opportunity to meet all the young award

recipients and to enjoy a savory spaghetti dinner prepared by our wonderful Elk Ladies. Many thanks to Rick Herrera and Reem Agel for a great event! The next day was our annual Kentucky Derby and Salsa contest put on by Catherine Koeritz and the Moyes. Lots of fun and I have to say I was surprised to find out that my black bean salsa won first place. Our new Lecturing Knight Holly Healy took home the winning purse from the Derby!

Karaoke is back on a regular basis. Thanks to Jim Miller for stepping up to provide our fabulous evenings of superstar wannabes. He will be back on June 22nd following Terry Gicking's Cook Your Own Steak. A big thank you always to Elk of the Year Jill Williams for her fantastic Fish Fries.

The first Friday in June will feature famous Killer Pork Chops by Bobby Williams with entertainment by the band The Renegades. Our annual Flag Day ceremony and flag retirement will be held on Sunday, June 10th. Remember to bring your old, worn out flags to be given a proper disposal, and you can dedicate it to a deceased loved one or someone who is serving or has served our country.

June 17th is Fathers Day. Come down to the Lodge to enjoy the Fathers Day brunch hosted, again, by the Elk Ladies. Finally, June 29th will feature a famous Friday dinner of Crispy Chicken prepared by the talented Donna Leary!

The spirit of Elkdom is alive and well here. Join us for these regular activities or you'll miss all the fun!

In Justice,

Paul Radomski

Lecturing Knight Holly Healy

Kindly allow me to introduce myself for those of you who do not know me. My name is Holly Healy and I am honored to have been elected into the position as the new Lecturing Knight for the Thousand

Oaks Lodge #2477. I am pleased to have been an active member of the Elks for 5 years and even more so with my tenure as the Chaplain under the Exalted Ruler, Mike Flannery, in 2016.

I have lived in the Conejo Valley for 17 years and am most proud of having raised four successful daughters that are each happy and gainfully employed in vocations that align with their dreams. I have served the community as a Girl Scout Leader for 10 years; additionally I owned and managed a licensed childcare facility for 12 years while at the same time serving, after being elected, as Vice President of the Conejo Valley Day Care Association. My passion has been in my role for 17 years as an authorized CPR instructor for the American Heart Association and the American Red Cross. I also manage Corrigan's Steakhouse, which is a longstanding cowboy steakhouse and landmark in Thousand Oaks.

The committee responsibilities of the Lecturing Knight of which I am eager to take on with great gusto are Youth Activities and Youth Appreciation night. The committees reporting to the Lecturing Knight are Hoop Shoot, Drug Awareness, Scholarships, Scouting, Americanism and the Dictionary Program. I am now in the process of engaging the chairpersons of each of these committees and to drive towards a successful year.

Now looking outward towards the horizon, as the Lecturing Knight under the honorable Exalted Ruler, Karen Martyn, I am eagerly looking forward to working with all Elks and officers of the Elks Lodge in the spirit of collaborative success.

Most of the members may not notice until the next rain but the gutters around the lodge have all been replaced by one of our members at no cost to the lodge. Now mind you, the gutters along the side of the lodge

where the tables for our BBQ customers sit to enjoy their food, are up as well as they can be. The wood in that area is rotted due to poor roofing many years ago and they did what they could.

Past Exalted Ruler, current District Leader, and owner of Canoga Sheet Metal, Greg Metzger replaced the gutters. The office was done a couple years ago, also by him. When you see him around the lodge say hi and thank him for his generous gift. One less fund raiser you would be reaching in your pocket for.

Bingo 101

We held our BINGO on April 10th to a large crowd. Jim Moye was sandbagging till the big money game at the end and came away a winner. Lynn Rodriguez, always good for a win, came away with two. Charlotte Gessler took one and a member all the way from Clovis, Pat Heckathorne, whose name is quickly becoming known in the bingo world of Clovis, came down for a visit and went away with a little gas money. We are going to start Wednesday night Bingo on the first Wednesday of the month with a spaghetti dinner from Ameci's. I'm looking at August 1st. June was too soon and July would be the 4th so August it is. The more players the more money paid out. Bingo is open to members and guests only.

ORIGIN OF FLAG DAY: In the United States, Flag Day is celebrated on June 14. It commemorates the adoption of the flag of the United States, which happened on June 14, 1777, by resolution of the Second Continental Congress. The United States Army also celebrates their birthday on this date; Congress adopted "the American continental army" after reaching a consensus position in the Committee of the Whole on June 14, 1775. In 1916, the president of the United States issued a proclamation that officially established June 14th as Flag Day and in August 1949, National Flag Day was established by an Act of Congress.

Remember the upcoming 25th Ventura County Stand Down on July 27th-29th. For more information on the Stand Down, go to the website: www.vcstanddown.org. You may also call Carl @ 805-630-8110 or Steve Kerman @ 818-429-1692.

Marshall Knowlton again arranged for a group of ambulatory veterans from the Sepulveda V.A. Hospital to have lunch at the Black Angus in Northridge on April 19th. There were 19 attendees, including veterans, caretakers and Elks. They enjoy this outing every year. Thank you to Marshall and the team.

Youth Appreciation Night

The first week in May is Youth Appreciation Week. We invite children, and their families, who participated in the Hoop Shoot, Scholarship Contest and Americanism Essay for a spaghetti dinner. We show our appreciation to these students and athletes by presenting them with awards and scholarships. This year five of the six scholarship winners attended the dinner. The missing contestant was the first place girl who was scheduled to speak at a conference in New York City the same day.

Our Hoop-Shoot winners in attendance were 11 year old Brooke Warren (2nd year winner) and our 9 year old shooter Leonna Ramsical. Brooke is Gerry Gillies granddaughter. Leonna didn't even learn of the Hoop Shoot until the morning of the event. Leonna stands maybe 3 1/2 feet tall

but she sure can get that ball 10 feet up to the basket. And then she hits nothing but net. She also took 2nd place in the District competition.

We had Willa Porter who entered our essay contest and wrote such a moving 300 word essay about “Why Veterans are Americas Heroes”, that her essay went all the way to State judging.

We crowned our first “Teenager of the Year” with Ben Knox who helps me on my BBQ. Let me just say to the other teams, “Hands Off”. Ben is now showing his little brother, Sammy, the ropes and he will be along shortly.

Bakersfield RV Resort is quickly becoming one of the faves of the club. With so much to offer, such as on-site restaurant, pool, showers, grassy areas, and so much more, the setting is tranquil and amenities

plentiful. First time wagon masters Carol Spinner and Ann Digman did a wonderful job of gathering information on the area including coupons, maps etc. and arranging the activities to fit the needs of the campers. Thank you ladies. I'm told it was a lot of fun.

Speaking of volunteers This great way to get involved meet fellow members and learn more about our group. It's always hard to be "new" (remember your 1st day at a new school?) Well volunteering is the easy path to take. The Lodge and Ladies always need help. The upcoming events are a good place to start.....

The Board discussed plans for our annual Father's Day and Major Project. More information will be announced as plans

the wagon masters, Carol and Ann along with Jim Miller and Patty Bauman, Ed and Rita DaCorsi, Ed and Donna Coleman, Chuck and Judy Kudra, Virginia Grindley and John Puckett, Cheryl and Bobby Templeton, Jim and Kathy Moye, Joel and Beverly Erickson, Henry and Betty Vega. Jim Porter and Sherri Jones visited for the day on Friday.

Most folks arrived on Thursday and were pretty much on their own for supper. The cornhole competition took place and several people honed their poker skills. John and Chuck won the cornhole tournament. No surprise there. Friday, however, was a really busy day. The day started with continental breakfast where the drawings for the Free Kampouts took place and were won by Cheryl Templeton and John Puckett, the 50/50 drawing was

How about some fun stuff? "Lexophile" Love of words such as "You can tune a piano but you can't tuna fish." Now that's important to know! Or how about crazy laws still on the books. "In Victoria Australia it's illegal to change a light bulb unless you are a licensed electrician." I guess electricians are very busy.

For those of you who do not know, the Buck Owens Crystal Palace is an old time honky tonk with good food and continuous entertainment (mostly Country music). They have a museum and the buildings look like an old western town. Some of the campers dressed in their western wear and a few put their newly acquired line dancing skills to the test out on the floor. YEE HAH! Everyone participated in this activity and had a wonderful time. When visiting Bakersfield, it is a must-do activity. Another successful campout.
