Elk of the Month

My choice for the March Elk of the Month is Steve McKee. Steve is a long-time member who has volunteered at the Lodge for bbq, kitchen duties and other capacities over the years. Steve was instrumental in helping me to graduate from wrapper to stacker/cutter on Ed Rice's Cut-Up's bbq team. He continues to critique my performance and I really appreciate his input. Thank you Steve for your continued support of the Lodge.

Deadline for receiving ALL material for publication is the 15th of the Month.

The *Antler Antics* is published monthly in Thousand Oaks, California as the official bulletin of the Thousand Oaks Elks Lodge No. 2477 of the Benevolent and Protective Order of Elks of the United States of America, 2330 Los Feliz Dr., Thousand Oaks, CA 91360. Publication of the *Antler Antics* is an activity of the Lodge and contributions of interesting pertinent reading material and photographs are welcome. **Photographs MUST be identified and captioned or they will not be published.**

Exalted Ruler Karen Martyn

As my year as Exalted Ruler comes to an end, I thank those members who have supported our efforts to help improve what needed improving, to continue to support our many charities, and to carry on the

good works we do in our community.

Part of the ritual for the installation of the Exalted Ruler reads, "In the year to come, all may not be plain sailing." I am sure that every ER before me found these words to be true. Although there were many times throughout the year that were very gratifying, there also were some tough hills to climb. Each officer, member who chaired a committee, or who worked on a committee knows this to be true. The officer corps that I had the privilege of serving with worked together through the good and the bad. I forever will be grateful to all of you for your support.

- **Secretary David Naccarato:** Thanks for getting well enough to return to work. Hopefully you will be able to do bingo in the near future.
- **Treasurer Bill Joseph:** Thanks for being so much more than our Treasurer – members enjoyed your Qigong class and your generous contribution of bar snacks.
- **Esquire Terry Gicking:** Thanks for remaining in your position even while juggling all your other responsibilities as DDGER.
- **Inner Guard Gregg Miraglia:** Thanks for doing your job well and being consistently cheerful (even though you sold me many losing tickets).
- **Tiler Deb Clingan:** Thanks for hanging in there despite your physical issues.
- **Chaplain Richard Platt:** Thanks for your continued dedication even when at times you did not think you were up to par.
- **Lecturing Knight Holly Healy:** Thanks for your always cheerful and upbeat presentation.

Leading Knight Dan Hoffman

WOW, my year as your Leading Knight is coming to an end. I thoroughly enjoyed my time as Leading Knight and relished the opportunity to work with some phenomenal folks who chaired the Committees reporting

to the Leading Knight. Art Garcia, thank you for all your work and commitment to our Major Project/Purple Pig and Bequests and Living Trusts. The success of our Purple Pig would not happen without your focus and drive. Alex Rogers, thank you for your compassionate and caring heart and the work you do with Sickness and Distress. Jim Porter and the El Konejo Kampers, thank you for supporting our Lodge with your bi-weekly breakfast and other fundraising activities you perform throughout the year. In particular, thank you for your financial donation to the Charity Basket Program this past year. Finally, Rich Lucariello, thank you for your dedication in managing the Christmas Tree Lot this year. Once again, your efforts led to a very successful fundraiser for our Lodge. In closing, I thank all of you, you know who you are, who assisted me this past year with my responsibilities. Last, but not least, I would like to thank our ER Karen (and Dan) for the steady guidance you provided for me with everything that was on my plate this past year. Guys, I had a great time.

March has some enjoyable events coming up. On March 16th, the PERS will be preparing the St Patrick's Day dinner with all of the trimmings. This is always a fun event and the dinner is outstanding. See the flyer for additional information. On March 30th, the Inaugural Ball will be presented. The evening will include appetizers, dinner and live entertainment. Please plan on attending and having the opportunity to thank Karen Martyn for her dedication, service and leadership as our outgoing ER. You will also be able to wish the new Lodge Officers your support and good luck for the upcoming year. See the flyer for additional information.

Sandy and I are looking forward to the new Elks year. If I assist you in anyway, please contact me at fivehofies@yahoo.com or 818 822 2219.

Loyal Knight Leo Rodriguez, PER

Well another Elk year has come and gone, and this will be my last message to you as Loyal Knight. I would like to take this opportunity to thank those who volunteered and cooked meals for Wednesdays, Fridays

and all the other meals in between. Your support is greatly appreciated and does not go unnoticed. I hope that you continue your support in the coming year for the new Loyal Knight.

To all of those who were the Committee Chairmen for the committees under my Chair, I take this opportunity to thank you for your time and support. Without your support, this year would not have been as successful. You made it possible.

I ask that everyone mark your calendars for March 30, 2019 for the Inaugural Ball. It promises to be a wonderful evening and an opportunity to meet your incoming Exalted Ruler and Officer Corps for 2019-2020. The evening promises great food and great entertainment. Don't be left out! Tickets will be available at the lounge from March 1st through March 23rd, so be sure to get yours in advance. To reserve a table, call 805-496-4550.

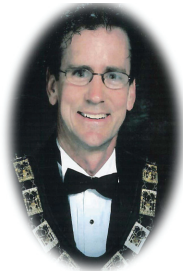

Fraternally,

Leo Rodriguez

Dues Notice

Dues notices have gone out. This year's dues are \$151.00, of which \$23.00 goes to Grand Lodge and our State Association. The remaining dues of \$128.00 must cover the cost of statements, membership cards,

key cards, postage, cost of Ritual contest, State, Midterm and Grand Lodge conventions, the printing and mailing of the Antler Antics, plus the cost of the office staff. Dues are not used for any lodge operations or activities. Each year, as part of the annual budget process, the Trustees review the books in order to make sure our dues are sufficient to cover the designated expenses. No portion of the dues subsidizes or supports the kitchen, lounge, BBQ or other lodge operating expenses or activity.

Veterans

Looking for all Purple Heart recipients. Please contact the office. We are having a dinner in May to honor our men and women who serve in the military with special attention to Purple Heart recipients.

The Elks have had a relationship with our Veterans and have a saying "so long as there are Veterans, we will never forget them."

In 1917 at the Grand Lodge session 1 million dollars was pledged to the War Relief Fund. It was voted on and passed unanimously. Their tag line was "The best that we have to offer in service at the front and in resource and fealty at home, today and always."

The United States was poorly prepared to fight in WW1. The Army had no hospitals for mass casualties. Our first order of business was to arrange and finance two base hospitals in France for the Army. Elks bought the equipment and paid for these hospitals.

The war sent a stream of maimed and wounded flowing back to the United States, which soon filled our hospitals. The Elks built a 700 bed reconstruction hospital for the government. It was built in Boston, MA.

Then, in 1941 and WWII the United States air power was almost nonexistent. The war

Investigation Committee

Greetings from the Investigation Committee. I've been thinking about what it means to be an Elk and a member of our Lodge. I'd like to share a few of my thoughts with you.

Our Lodge is like an extension of our own homes. It is a place where we should feel comfortable, welcome and safe.

When we invite someone to join our Lodge, we are inviting them into our home away from home and inviting them to be a part of our Elks' family. That means that proposing someone for membership is not something that should be taken lightly.

When you propose someone for membership, you should know them well enough to be comfortable with the thought of inviting them to your home or visiting theirs. It is preferable that you invite them to at least one or two Lodge activities before inviting them to join our Lodge. The Friday night dinners are a good place to introduce them to other members of the Lodge and for them to see that we are warm and welcoming.

When you do propose someone for membership, remember that you are vouching for them. According to the Grand Lodge Investigation manual, "The proposer has a responsibility to be well-acquainted with the candidate and the individual's reputation, moral fiber, employment status, professional character, family situation and personal manners/habits."

The membership application has certain questions that must be answered in the affirmative in order for someone to be considered for membership. They are:

2. Do you believe in God and are you willing to attest to that belief?
3. Are you a citizen of the United States of America?
5. Are you willing to assume an obligation that:
 - (a) Will not conflict with your duties to yourself or your family, or your religious or political opinions, and that
 - (b) Will bind you to uphold the Constitution

department asked the Elks to recruit pilots and mechanics. The Elks started the "Keep 'em flying" program. We were challenged to find qualifying candidates to enter the aviation cadet training course.

At a ceremony January 1941 at the White House, President Roosevelt mentioned the work the Elks do. He referred with pride to his own membership in Poughkeepsie, New York Lodge #275, which is still going strong.

and laws of the United States of America.

10. Have you been a bona fide resident within the jurisdiction of this Lodge immediately preceding the date of this application?

The following question must be answered in the negative:

6. Are you now a member of or directly or indirectly participating in the activities of a group or organization, or supporting or adhering to beliefs or tenets advocacy the overthrow of the Government of the United States or any of its political subdivisions by force or violence.

The applicant must also be over the age of 21.

If the person you propose becomes a member, it is helpful for you to attend several activities with them (including meetings) until they are comfortable coming on their own.

The whole purpose of joining our Lodge is to be a part of our family and to be involved in Lodge activities. That should be your goal, as a proposer and our goal when we vote to accept them into our Lodge.

Fraternally,

Diane Jones

Lastly, thank you Trustee Dan Martyn for being my rock and for always encouraging me when the seas became rough. Your advice was always appreciated even if not requested or if not always followed.

In the coming year I look forward to continue to participate in the great works we as Elks do. I know our Lodge will be in good hands under the leadership of Dan Hoffman. Please give Dan and his officer corps the support they deserve.

Thanks again for the privilege of serving you.
