Elk of the Month

The Elk of the Month for April is Doug Brown. He is one of those members who does great work behind the scenes with grounds and maintenance. Recently, he has sanded and painted all of our patio tables. He has also painted several exterior doors and the recycle enclosure. Thank you Doug. Please enjoy your designated parking spot and dinners on us. Your efforts are very much appreciated.

Exalted Ruler Dan Hoffman

Hello everyone, Sandy and I recently attended the Inaugural Ball on March 30th and I am honored and humbled to be your new Exalted Ruler. I am very proud to be associated with outstanding folks

who exhibit patriotism, generosity and character. I have an outstanding group of Trustees, Officers and numerous Committee Chairs that will be assisting me throughout the Elks year. I am very excited and motivated and some of my goals for the year will be:

1. IMPROVED COMMUNICATION
2. NEW MEMBER MENTORING
3. MEMBERSHIP GROWTH
4. A ROBUST PUBLIC RELATIONS PROGRAM.
5. INCREASED PARTICIPATION
6. A UNIFIED VISION AND EFFORT ENABLING OUR SUCCESS WITH CHARITY.

My door is always open and I welcome your thoughts and suggestions. I sincerely hope you take advantage of all the activities the Lodge has to offer during this year. I thought it would be worthwhile to re-introduce myself from a personal and professional focus.

I have been married to Sandy for 46 years and we have been together for 48 years. I met Sandy when she was in 3rd grade. I married her when she was 19 and I was 21. We settled in the Conejo Valley in 1975. Spending my life with Sandy has been the best decision I ever made and she has provided me with three sons- Matthew, Christopher and Patrick. Matt and Pat are Los Angeles Police Officers and Chris is the Park Ranger for Simi Valley. I am very proud of my sons and Matt and Pat have given Sandy and I five grandchildren; Mikaela, Avery, Stella, Jameson and Magnus. We are blessed that they all live locally. Over the years, I was very involved with the Conejo Valley Little League and I retired from that organization as a Director Emeritus. I also supported the Thousand Oaks Flag

Leading Knight Leo Rodriguez, PER

As we all know, April 1st is the beginning of a new Elk year for the new Officers of the Lodge, now that I have been elected to the position of Leading Knight, I would like to thank everyone that helped me get through

the past year in the kitchen cooking and those who were Chairperson's for the various Committees that reported to me as the Loyal Knight. Without all the volunteers my life sure would have been a lot harder. So once again thank you to everyone.

Under the station of the Leading Knight is one of the most important parts of Elkdom, CHARITY. "The cornerstone of every Elk structure, the highest virtue of every Elk creed, for it should ever rule us in our hearts and in our lives."

Before we know it, we will be having our annual Charity Ball to raise funds to support the Charity Basket Program for the food and toys for the families and seniors in our community. Another charity that falls under this station is ENF, the Elks National Foundation. The funds raised for ENF go to help Elks build stronger communities giving our youth knowledge and help to provide tomorrow's leaders. We are here to help them in having a better quality of life. Let us not forget the Purple Pig, and once again remember it is all for charity. "The daily gifts we bestow increase our own riches. The help we extend to those in need is added to our own strength."

I am looking forward to my new position with a lot of energy and I hope to have all of our members with me on this journey into being a significant part of the solution in helping our world by helping others in our own community.

I hope to be more in touch with you all as the year goes on, for everyone knows that one person can't do everything, but with a little help from our members, together we can get a lot of things done!

Fraternally,

Leo Rodriguez, PER
Esteemed Leading Knight

Loyal Knight Holly Healy

I'm honored to have been elected and serve as your new Loyal Knight. My new role's motto is Justice and thus my station is dedicated to *being just to your fellow man*. One of my chief tasks in this new position is

calendar planning. I encourage one and all to be involved in Elks activities and/or simply attend and enjoy the events planned. I'm always available to answer all questions and eagerly help anyone who would be interested in getting involved. Please feel free to email me at hollyohealy71@gmail.com.

The month of April is underway, and we are prepared to enjoy it to its fullest. As you have received our calendar, I would like to highlight a few wonderful events of which I look forward to your participation. To begin the month, our Elks ladies will be celebrating the installation of their new officers on Tuesday April 2nd at 6pm.

It's that time of year again and we are grateful that Jill Williams will be preparing her famous fish fry on the third Friday of every month. It is the most delicious fish dinner you can get anywhere. Remember, please support our Friday night dinners prepared by members of our Lodge. It is the best deal in town. Reach out to me if you would like to participate and prepare a home cooked meal for your fellow Elks.

Finally, please note that on April 21st we will all be hopping to Buggy's Great Easter Egg Hunt with Ray Laraway. This long standing tradition is always a great event enjoyed by both kids and adults alike.

In closing, I'm looking forward to working with my fellow officers as we unite as a strong team and I am eager to work collaboratively with all Elks and Officers of our Lodge.

It's going to be an excellent year!

Fraternally,

Holly Healy
Loyal Knight

Lecturing Knight

I am delighted to be our Lecturing Knight. As one of our lodge's newer members I know I have a great deal to learn. Leo, Holly and I are already working well together with Dan, our incoming ER.

Gayle and I have been married a total of 45 years. We were married in Las Vegas in 1973. When the service was over, Gayle and I had some paper work, that was when she said "You know that stuff about better and worse, well you could not have done any better, and I could not done any worse." She set the tone very early on.

I had transferred to Wilshire Division, as a newish LAPD Officer. I completed my time with the Department as a sex crimes detective. As my time with LAPD was ending, I was reunited with the Episcopal Bishop of Los Angeles. He needed someone on his staff, having 150 churches, 50 some odd schools, as well a large hospital to oversee.

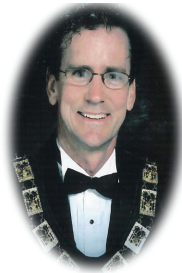

The Bishop talked me into renewing our vows as a big surprise to Gayle. It was impressive. Our daughter and son had invited our friends, my old LAPD boss and my then boss. It is the only secret that Gayle allows me to think she did not know. We have two super grandsons, one 12 and one 8 years old, our eight year old won the Hoop Shoot this year.

We are very fortunate to have outstanding Committee Chairpersons this year. Billy Sternberg, and Bill Sternberg, PER for Scouting, Rick Herrera for Americanism and Recycling, Steve Woodlief for our Dictionary Program, Reem Agel for Scholarship, and Anna Garcia for Hoop Shoot. If I have forgotten anyone, please let me know.

I look forward to meeting those of you that I haven't yet. I look forward to serving you and our Lodge.

Richard Platt
2019 Lecturing Knight

Secretary David Naccarato

Thank you to everyone who, throughout the year, donated to the California-Hawaii Elks Major Project Inc. (CHEMPI) and the Elks National Foundation (ENF). CHEMPI and ENF are 501c (3) entities and

therefore checks written directly to them are tax deductible.

CHEMPI is our State Association providing children of families in need with occupational therapy, physical therapy, pre-school vision screening and speech-language therapy. This unique program funds 32 paid therapists and preschool vision screeners, hired by CHEMPI, to help disabled children when no other organizations can or will.

I remember when George Meehan, PER, reported to us that his granddaughter came home one day all excited and said, "the Elks were at our school today". She had her eyes checked. Our therapists drive thousands of miles every year.

The Elks National Foundation began with an initial \$100,000 grant. Only the interest earned on the ENF account is used, the principle is never touched. The Grand Exalted Ruler announces a per capita amount that he would like all Lodges to achieve. Last year it was \$4.75. With a membership of 450, our fundraising goal was \$2,137.50. Once we reach our goal we are able to request funds for programs in our community. Last year we received \$2,000 for the Ventura County Veterans Stand Down and \$1500.00 for our Drug Awareness Program. In earlier years we received funds for the Children's Carnival held at the lodge and Easter baskets for those who missed our Christmas Cheer program. Our Lodge does very well. We have generous members. The Elks also have the Welcome Home program where homeless Elks get a place to live but are in need of incidentals. We can apply for \$200 to cover these items and we did it 3 times last year. That's ENF and I've just scratched the surface.

David Naccarato, PER

Lodge Secretary

Exalted Ruler's message continued

Football Program as the President, Referee Coordinator and Snack Shack Coordinator. Of course Sandy was an integral part of all of this and we have many fond memories of these years.

Sandy and I graduated from Van Nuys High School, and "yes" we cruised Van Nuys Blvd. I attended Los Angeles Valley College and received an AA degree in Police Science. Sandy specialized in Early Childhood Development. I graduated from Cal State Northridge with a BA in Political Science. I also graduated from the USC Delinquency Control Institute and the West Point Leadership Command College during my years on the Los Angeles Police Department.

Professionally, I had a thirty-year career with the Los Angeles Police Department and retired as a Lieutenant. I could not have completed thirty years without my best partner Sandy. Sandy raised the family while I played "cops and robbers". I then accepted an employment offer from Andrews International, an international security company, and held the position of Senior Vice President-Human Resources, Legal Affairs and Labor Relations. I resigned from this position in May of 2015 after a rewarding sixteen years.

Currently, I am semi-retired and working for a local Worker's Compensation Attorney. The office is only four miles from my home and this is certainly a relief from all those years I drove a minimum of one hundred miles daily to and from my assignments.

In closing, I want to recognize the two Exalted Rulers and their spouses that mentored me over these past two years. Jean, Greg, Karen and Dan-Thank you for taking an interest in me and providing me with solid guidance and counsel. Your example of commitment and service will be hard to match.

If I can assist you in anyway, do not hesitate to contact me at fivehofies@yahoo.com or 818 822 2219.

Veterans

We are in the planning stages for a Veteran's dinner May 25th. I was hoping for Armed Forces Day, but this is as close as I could get it. We will have dinner, entertainment and special speakers. It will be a good time for all and when you purchase your ticket to attend you may also sponsor a Veteran to attend. Let us know if this is to your liking and I will pair you up with a veteran and buy him dinner.

Taken from the Elk's a Concise History

The Elks hold Veterans in high esteem. During the Grand Lodge convention held in Los Angeles in 1921, a proposal was made to establish the Elks National Headquarters in Chicago. The committee also recommended that the Order erect a memorial building honoring those who served their country and gave their lives during the Great War. 3.5 million dollars was raised by Elk lodges to pay for the new building. The cornerstone was laid in 1924 and dedicated to those who served in WW1 in 1926. It was rededicated in 1946 to those who saw service in WWII, then again in 1976 for those who answered the call in Korea and Vietnam. The Elks were among the first fraternal order to formally welcome home the returning Veterans from Operation Desert Storm. Lodges held appropriate functions recognizing the Veterans' sacrifices and thanking them for their commitment to duty. In 1994 the Memorial was remodeled and re-dedicated to peace and to those who served in Grenada, Panama and Operation Desert Storm.

Our story is long, our work is humble, our history is proud.

Hello Ladies,

A new year is here! A new year brings a new Board of Officers for 2019/2020. The Ladies Installation is on April 2, 2019 at 6 pm. A wonderful spread of appetizers and desserts will be provided by our member Tom Ryder. There will be no meeting that night. There is no charge; however, donations will be welcomed. So come down hungry and welcome your new Officers.

Our new Board of Officers are:

- Alice Kennedy - President

- Alex Rogers - 1st Vice President
- Karen Naccarato - 2nd Vice President
- Rose Barrington- Secretary
- Charlotte Gessler- Treasurer

I would like to thank all of these ladies for stepping up since we really needed it. A special thank you to Alice Kennedy. Alice had been absent for a few years taking care of her family and her first meeting back she agreed to be our next President. Alice is familiar with running the meetings since this will be her second time as President.

I would like to thank all of you for the support you gave me for the past two years. Thank you for understanding my personal situation, since there were times I had difficulties meeting deadlines.

I will be writing the articles for the Antler, so if you have any suggestions or information you would like to share with the ladies organization please do not hesitate to contact me. See you soon!!

Respectfully,

Karen

El Konejo Kampers

Perhaps changing the name from El Konejo Kampers to El Konejo Chefs might be in order. 2019 is proving to be a rough year for camping and other outdoor activities. The campers were scheduled to be at Camp Comfort in

March after having to cancel that one once before. Due to lack of participation and bad weather, it was rescheduled to October when we normally have good weather (no guarantees, of course). There are ten sites fully paid, so in order to not lose our money, we will need to have at least ten rigs.

Many of you may be aware that a new website for the El Konejo Kampers is in the works and we are hopeful that it will be up and running soon. Trish

It has been putting a lot of work into making this a reality. Unfortunately, without a working website, people are hard pressed to make long-range plans. So how can we plan for upcoming future campouts? The answer is - come to the Kampers meetings. When are these Kamper meetings, you ask? Well, it is the last Sunday of the month immediately following the AA Breakfast, usually about 12:30. Participation in the meeting has been low and one has to think it goes to the bad weather we have experienced. But that should be over soon, too. Everyone is encouraged to attend the meetings. You don't even have to be a member to attend. All Elks are welcome. Your good ideas are presented, discussed and often implemented in a casual friendly atmosphere.

Now, I said earlier that the El Conejo Kampers might want to change our name to the El Konejo Chefs due to lack of

camping, but the truth is the EKKs are great chefs and continue to put out great breakfasts with the AAs supporting our effort and the numbers continue to grow. The Elks, however, are harder to predict. Sometimes we are slammed and other times hardly anyone attends. Not sure what is going on there. If it's an invitation you want, here it is. Come on down the first and last Sunday of every month and enjoy a wide variety of breakfast food at a very reasonable price.

And finally, since there is some difficulty getting the word out, let me tell you the campout for April will be at the Bakersfield RV Resort, always a really fun venue as there is much to do around the area. We are still in need of a wagon master which mean you camp for FREE if you choose to be the wagon master. May will be at the Santa Barbara Elks Lodge.

Until next month, stay dry.
